

Adult General Education Data Reporting Workshops Agenda

Time: 9:00 am – 3:30 PM

Description: The workshop will be delivered in a series of leader-facilitated discussions. Beginning with the assumption that the local data is correct and presents an accurate picture of your agency, aligned with FDOE data-reporting requirements, the facilitators will lead a group discussion beginning with an assessment of the local level data reports, generated in pre-workshop activities. That analysis will lead to the development of performance-related goals for Adult Basic Education (ABE), English for Speakers of Other Languages (ESOL), and GED® and a series of action steps leading to accomplishing the group-established goals.
