Warm-Up Activity

Winner/Loser (Length: 2 Minutes)

1. Find a partner and introduce yourself.
2. Each person will take turns stating a challenging experience they've had in their life or career.

8

2021-22 The Institute for the Professional Development of Adult Educators

8

Warm-Up Activity

Winner/Loser

1. Describe your partner's experience using only positive terms.
2. For instance, one person might say that their water heater broke this morning. The partner might describe it more positively by saying that *the broken water heater forced their partner to bathe in cold water which helped in waking-up, improved blood circulation, and gave his/her skin and hair a healthy glow.*

Myth Busters

FACT IET is a service approach that provides adult education and literacy activities concurrently and contextually with workforce preparation activities and workforce training for a specific occupation or occupational cluster for the purpose of educational and career advancement.

MYTH Any adult student may participate in an IET Program.

FACT Any agency may implement an IET Service approach.

MYTH IET programs that will be funded through IELCE funds (Sec. 243) do not need to include ESOL students.

11 2021-22 The Institute for the Professional Development of Adult Educators

11

Myth Busters

MYTH IET programs that will be funded through IELCE funds (Sec. 243) can include ABE standards only, as English Language Proficiency or other ESOL standards are optional.

FACT The Workforce Training component of IET may include occupational skill training on-the-job training; incumbent worker training; programs that combine workplace training with related instruction; private sector training programs; skill upgrading and retraining; or entrepreneurial training.

12 2021-22 The Institute for the Professional Development of Adult Educators

12

Myth Busters

MYTH For a complete Single Set of Learning Objectives, writing “see ESOL frameworks” meets the requirements for the Academic and Literacy Activities section of the IET Program of Study.

MYTH A GED counts as a “credential of value” in step 4 of the IET Program of Study.

FACT Agencies do not need to include ALL standards, competencies, content and activities when completing the Program of Study Form.

FACT Non credit vocational training programs may also qualify for IET.

2021-22 The Institute for the Professional Development of Adult Educators

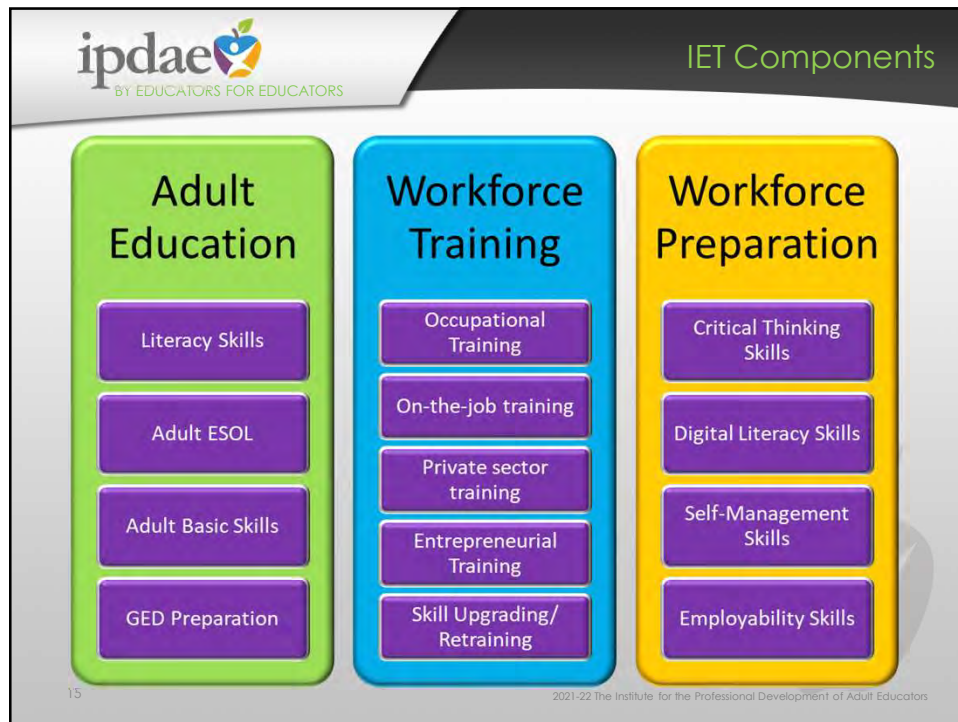

13

IET

Integrated Education and Training is defined as a service approach that combines **adult education** (and literacy activities), **workforce preparation activities** and **workforce training** each instruction applied with sufficient intensity and quality, based on the most rigorous research available, especially with respect to improving reading, writing, mathematics and English proficiency of eligible individuals, **occurs simultaneously** and **uses occupationally relevant instructional materials**. The integrated education and training program is organized to function cooperatively with a **single set of learning outcomes**.

2021-22 The Institute for the Professional Development of Adult Educators

14

15

The diagram lists the additional requirements for IET. It features a list of seven bullet points on a light gray background, with a faint apple logo in the bottom right corner.

- Leads to students' attainment of credentials of value
- Each instruction applied with sufficient intensity and quality
- Occurs simultaneously
- Uses occupationally relevant instructional materials
- Components function cooperatively and driven by a Single Set of Learning Outcomes
- Part of a career pathway

IET Program of Study Template

Integrated Education and Training Program of Study Template

The Integrated Education and Training (IET) Program of Study form will be used to describe how the eligible provider will provide, develop and implement Integrated Education and Training (IET) service approach(es). Submit a program of study form for each IET program offered and ADEA funds can **ONLY** be used to support IET programs that are pre-approved by FDOE.

Step 1. Identify the IET Program Type (Describe the area(s) of focus, model/project description, and the expected number of students enrolled in each program type, the number of weeks and hours per week).

Step 2. Use the Shared Learning Objectives to outline an instructional unit for an IET program(s) that integrate the three elements of IET: Use the (1) Adult Education framework knowledge for students, and literacy activities; the (2) workforce preparation activities, and (3) workforce training skills incorporated to create a shared learning objectives for the unit.

Step 3. Provide a description of the unique set(s) of learning objectives that will guide instruction. Provide specific action steps and a timeline.

Step 4. Identify the types of credentials or other a student may earn by participating in an IET Program.

The Career & Technical Education (CTE) Programs section is responsible for developing and maintaining educational programs that prepare individuals for occupations important to Florida's economic development. Each program is aligned to a career cluster and is detailed in curriculum frameworks. With partners from education, business and industry, and trade associations, the curriculum frameworks include program standards that are both academically integrated and responsive to business and industry. To determine in which cluster a particular program is assigned, you may view an alphabetical list of all [Secondary/Career Certificate CTE programs \(RTF\)](#) or [AS/AAS/CCC programs \(RTF\)](#).

Considerations

- Who are the identified adult learners (adult education (section 231), IELCE (section 243), and/or corrections education (section 225) that need to be engaged in IET?
- Are the recruitment and orientation efforts reasonable and likely to lead to a cohort of participants who can successfully complete the activities?
- Will IET be available to adult learners at all functioning levels or be limited to certain functioning levels?
- How will the IET program be promoted to recruit and engage participants?
- Is there a unique set of partners that need to be involved for adult education (section 231), IELCE (section 243) and/or Corrections Education (section 225)? Are IET partners the same or different from those identified under Priority 1?
- Have single sets of learning objectives for the planned IET service approach been developed to ensure all components of the IET function cooperatively? What percentage of time is devoted to core the IET components (adult education, workforce preparation, workforce training)?
- What structures are being put in place to ensure that the IET starts and ends at the same time (occur simultaneously)?
- What is needed to effectively plan and implement an IET service delivery approach from the perspective of the applicant?

Academic and Literacy Activities (Basic Skills Competencies)

AIE ANCHOR STANDARDS

AIE Reading Foundations Anchor Standards

1. Demonstrate understanding of spoken words, syllables, and sounds (phonemes). (Phonological Awareness)
2. Know and apply grade-level phonics and word analysis skills in decoding words. (Phonics and Word Recognition)
3. Read with sufficient accuracy and fluency to support comprehension. (Fluency)

AIE Reading Anchor Standards

1. Read closely to determine what the text says explicitly and to make logical inferences from it; cite specific textual evidence when writing or speaking to support conclusions drawn from the text.
2. Determine central ideas or themes of a text and analyze their development; summarize the key supporting details and ideas.
3. Analyze how and why individuals, events, and ideas develop and interact over the course of a text.
4. Interpret words and phrases as they are used in a text, including determining technical, connotative, and figurative meanings, and analyze how specific word choices shape meaning or tone.
5. Analyze the structure of texts, including how specific sentences, paragraphs, and larger portions of text (e.g., a section or chapter, scene or act) relate to each other and the whole.
6. Assess how point of view or purpose shapes the content and style of a text.
7. Integrate and evaluate content presented in diverse media and formats, including visually and quantitatively, as well as in words.
8. Delineate and evaluate the argument and specific claims in a text, including the validity of the reasoning as well as the relevance and sufficiency of the evidence.
9. Analyze how two or more texts address similar themes or topics in order to build knowledge or to compare the approaches the authors take.
10. Read and comprehend complex literary and informational texts independently and proficiently.

AIE Writing Anchor Standards

1. Write arguments to support claims in an analysis of substantive topics or texts, using valid reasoning and relevant and sufficient evidence.
2. Write informative/explanatory texts to examine and convey complex ideas and information clearly and accurately through the effective selection, organization, and analysis of content.
3. Write narratives to develop real or imagined experiences or events using effective technique, well-chosen details, and well-structured event sequences.
4. Produce clear and coherent writing in which the development, organization, and style are appropriate to task, purpose, and audience.
5. Develop and strengthen writing as needed by planning, revising, editing, rewriting, or trying a new approach.
6. Use technology, including the Internet, to produce and publish writing and to interact and collaborate with others.

Page 3 of 31

AIE Speaking and Listening Anchor Standards

1. Prepare for and participate effectively in a range of conversations and collaborations with diverse partners, building on others' ideas and expressing their own clearly and persuasively.
2. Analyze and evaluate information presented in diverse media and formats, including visually, quantitatively, and orally.
3. Evaluate a speaker's point of view, reasoning, and use of evidence and rhetoric.
4. Present information, findings, and supporting evidence such that listeners can follow the line of reasoning and the organization, development, and style are appropriate to task, purpose, and audience.
5. Make strategic use of digital media and visual displays of data to express information and enhance understanding of presentations.
6. Adapt speech to a variety of contexts and communicative tasks, demonstrating command of formal English when indicated or appropriate.

AIE Language Anchor Standards

1. Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.
2. Demonstrate command of the conventions of standard English capitalization, punctuation, and spelling when writing.
3. Apply knowledge of language to understand how language functions in different contexts, to make effective choices for meaning or style, and to understand more fully when reading or listening.
4. Determine or clarify the meaning of unknown and multiple-meaning words and phrases by using context clues, analyzing meaningful word parts, and consulting general and specialized reference materials, as appropriate.
5. Demonstrate understanding of figurative language, word relationships, and nuances in word meanings.
6. Acquire and use accurately a range of general academic and domain-specific words and phrases, sufficient for reading, writing, speaking, and listening at the AIE level; demonstrate independence in gathering vocabulary knowledge when encountering a word or phrase important to comprehension or expression.

**Get There
FASTER**

With an Integrated Education and Training (IET) program, you can earn your credential in weeks, not years. In 20 weeks or less, get your GED, learn English, and join the workforce on an accelerated pathway to success.

Connect with your local technical college and see what IET offerings are available near you. Financial assistance is available for eligible students. Pursue your dreams and learn the skills you'll use throughout your career faster.

**Get There
Affordably**

Integrated Education and Training (IET) is a good fit for anyone who wants to build a foundation for a successful career and get into a new job. Earn your credential with basic skills support and workforce preparation to get there faster – and most importantly – affordably.

Apply for financial aid to pay for course work you need, not a degree that amasses student debt. Earn a degree by stacking courses and applying them toward an associate's or bachelor's degree.

Connect with your local adult education school and see what IET offerings are available near you.

Success Starts Now

Get There, an initiative from the Florida Department of Education, accelerates students' success. Students move towards their future while ensuring the talented workforce meets our state's needs. Learn how Integrated Education and Training (IET) programs provide educational opportunities and career pathways at your local school district or technical college.

Gain New Skills. Get into a New Job.

 IET is faster and more affordable than the 4-year or more traditional university track. It's a path to livelihood right out of school.

 Students enroll in demand, high-quality workforce programs and gain critical skills that Florida employers are looking for.

 Fast forward to your dream career with a program that reinforces the basic skills you need to succeed at work.

AN EXCITING ALTERNATIVE TO COLLEGE EDUCATION

 Programs offer the latest industry-recognized, and in some cases nationally-recognized credentialing, at a rapid pace.

 IET programs attract students to career pathways, providing specialized talent for businesses and Florida's workforce.

 Technical skills are seamlessly integrated to basic skills curricula, increasing your chances of earning credentials.
