

Unleashing Potential: Effective Reading Strategies for Adult Educators

Description: Through the support and funding of the Florida Department of Education, Florida IPDAE will be hosting regional RLA content area workshops for adult educators in four (4) centralized locations within the state. Embark on a journey of empowerment and enlightenment with our workshop, "Unleashing Potential: Effective Reading Strategies for Adult Educators." This immersive experience is tailored to equip educators with the essential tools, insights, and innovative approaches needed to guide adult learners on their transformative path to reading mastery. Through an engaging session, collaborative discussions, and practical activities, participants will gain the expertise required to become proficient reading instructors that unlock the academic and personal success of their learners. Instructional strategies will be geared towards building vocabulary and comprehension skills while supporting contextualized instruction to support IET programs across the state. Participants will walk away with instructional resources and strategies for seamless replication into daily classroom instruction. This workshop will focus on ABE and ESOL.
