

## A Strategic Approach to IET Programs

**Description:** Governor DeSantis issued Executive Order 19-31 for Florida to become number one in workforce education by 2030. The vision of Florida's adult education system is to hold learners at the center and deliver outcomes that promote full participation in the workforce and result in high-quality credentials of value. This customized IET workshop is designed to support program development through sustainable and continuous improvement. Participants will identify priority areas of focus that take existing IET Program(s) to the next level using the IET quality indicators. Furthermore, participants will create action steps for implementation and/or improvement of IET program(s) using strategic planning templates.

**Date/Time:** May 22, 2024 / 4:00p – 8:00 pm ET
