

IET Site Visit and Learning Walks

IET Site Visit and Learning Walks

The IET Site Visit and Learning Walks provide a valuable opportunity to gain fresh insights by observing effective practices in action. These visits are designed to:

- Offer a firsthand look at how IET programs operate to support student progression into and beyond the program.
- Highlight the support services that empower students to achieve their learning objectives.
- Share updates from the Florida Department of Education (FDOE) to ensure alignment with state initiatives and goals.

Discover strategies to enhance your own programs by exploring proven approaches from established IET implementations.
