

FCS IET Program Showcase and Learning Exchange

This customized workshop for Adult Education programs within the Florida College System (FCS) provides participants with the opportunity to observe and learn from an established Integrated Education and Training (IET) program in action. Participants will explore key components of successful IET implementation, including program design, partnership development, funding considerations, and instructional coordination.

Through presentations, interactive activities, and discussions with program leaders, instructors, and students, attendees will gain practical insights and strategies to strengthen or expand IET programs within their own institutions.
