

From Reading to Reasoning: Strengthening Adult Literacy and Math Through Evidence-Based, Contextualized Instruction

Description: This interactive workshop equips adult education instructors with practical, evidence-based strategies to strengthen reading and math instruction. Participants will explore the Essential Pillars of Reading and the Florida ABE Math Strands, learn how to reduce learner guessing and apply real-world contexts to enhance comprehension and problem-solving skills. Instructors will leave with classroom-ready strategies and lesson ideas they can use immediately.

<p>Date: March 6, 2026 Time: 9:00 am – 3:00 pm Check-in begins at 8:30 am</p>	<p>Location: Lee County Public Education Center 2855 Colonial Blvd. Fort Myers, FL 33966</p>
