## System Training Request Calendar

Please note: this calendaring system sends a request to our trainers and does not guarantee a date in case the location or resources are not available for the requested date.

---

Face-to-face training is 3 hours for each course. Participants must take Navigator 101 or Journey 101 before taking the Administrative Database Management. A combined training course – Navigator 101 or Journey 101 with the Administrative Database Management System is also available.

**Best Practices Before Requesting A Training Date:**

- Identify the logistics of the training [who, when, and where].
- Who: Identify a minimum of 15 people to attend the training.
- When: Select one date and two alternate dates which are generally three hours depending on content and delivery method.\*
- Where: Secure a location, such as a computer lab with reliable Internet to a computer (with speakers recommended) for the presenter and each participant as well as a projector for the presenter (trainer).
- Ensure an information technology person is available 1/2 hour prior to session in case of any technical problems.
- Complete the Training Preparation Form which is available upon scheduling.

\*All requests must meet the minimum recommendation for the successful implementation of the My Career Shines Career Planning System in your organization. However, if you need a longer or shorter training session, please include that information in the Training Preparation Form after making your training request. If you find a date that you want to request that is unavailable, please email [training@kuder.com](mailto:training@kuder.com) to explore accommodating your request. A field trainer will contact you to discuss the details of your needs to make the appropriate adjustments.

Please visit the MyCareerShines booth for more information!
